MISS MILLER HONORED.

A prenuptial compliment to Miss Helen Ann Miller, the bride-elect of Mr. Colby Whitehead of Vivian, La., was the shower tea in the twilight hours of Tuesday, October 20, at the beautiful home of Mrs. Jack Lacy. Hostesses were Mesdames Lacy, R. J. Decker, R. J. Noonan, Thos. B. Knopp, W. H. Case, Andrew Bless, and W. H. Smith.

The reception suite was fragrant with flowers and gleamed with slender lighted tapers and indirect lighting. Miss Judy Lacy met the guests at the door. Greeting the guests in the first reception hall were Mrs. Lacy, the honoree, Miss Miller, her mother and her grandmother, Mrs. O. H. Miller and Mrs. Charlotte Miller. Here also Miss Charlotte Miller, sister of the honoree, was in charge of the bride's book. The room was adorned with floor baskets of giant pink dahlias, and bowls of pink radiance roses. The inner hall was arranged with pink roses in a silver bowl centering a lace-covered table and lighted with pink candles in silver holders, against a background of an ivy entwined stairway. Mrs. Andrew Bless presided here.

Smart decorative touches in the drawing room and library were red roses in white pottery bowls and scarlet tapers burning in white pottery candelabra. Presiding in the former room was Mrs. J. M. Finger, Jr., and Miss Jonell Rothe was in charge of the gifts in the library.

The distinctive dining room was softly lighted with yellow tapers in silver and crystal candelabra, with the tea table as the center of interest. The long board was laid with an embroidered Venetian lace cloth, a low rectangular mound of yellow marigolds forming a beautiful center arrangement, with triple branched crystal candelabra holding yellow tapers. Yellow blossoms and saffron-tinted tapers also adorned the sideboard. Alternating in serving the refreshments were Mesdames R. J. Decker, Thos. B. Knopp, R. J. Noonan, W. H. Case and W. H. Smith. They were assisted by Misses Norma Jane Bless and Mary Ann Noonan. Refreshments were sandwiches, cake, coffee and nuts.

The large mantle mirror in the music room reflected the gleam of silver and cut glass vases holding yellow dahlias and the soft glimmer of lighted yellow tapers. A musicale was presented by Mrs. Volney Boon, Misses Frances Finger, Ethel, Sara and Josie Rothe, and Evelyn and Margaret Ann Knopp.

Miss Miller wore an exquisite costume, a peplum jacket of deep blue, red and silver metal brocade over a long black velvet skirt. The jacket was completed with a silver belt from which fringed tassels in the same jewel shades extended to the bottom of the skirt in front. She wore a wristlet of red rosebuds. Mrs. Lacy's dinner dress of blue velvet was made on simple lines and her corsage was of pink rosebuds. Mrs. O. H. Miller wore a distinctive model of black crepe with silver metal cloth touches on the bodice. Her flowers were pink roses. Mrs. Charlotte Miller was distinguished looking in a black crepe dress with a corsage of red rosebuds.

The wedding will take place Saturday, October 24, 1936, in Vivian, La., in the presence of the bride's immediate family.

JAKE SCHUEHLE MAKES THE HEADLINES.

Jake Schuehle continues to win laurels for himself and fame for Rice Institute, and incidentally for Hondo, with his headlined football playing. Sunday's editions of the Houston Chronicle and The Houston Post carried banner lines across their front pages praising the Hondo High School ex-student and son of Sheriff and Mrs. C. J. Schuehle of Hondo. The Houston Post also carries a photograph of Jackie in action, naming him "Hero of Rice Victory" in Georgia Saturday.

The following are excerpts from a lengthy article written by Bruce Laver, sports writer, in The Houston Post:

Athens, Ga., Oct. 17.—A young man from Hondo—Jake (Sheriff) Schuehle—played the kind of football you read about here Saturday as he paced a badly crippled Rice Institute eleven to a brilliant 13 to 6 win over Harry Mehre's Georgia Bulldogs. Badly battered because of injuries, the Owls played grand football, and every man Coach Jimmie Kitts sent into the game turned in a sterling performance, but Jake overshadowed them all.

His long spirals kept the Bulldogs in hot water most of the afternoon, and his fine return punts led the way to the first score. Twice he galloped back Georgia punts, and his 40-yard run gave Friedman a chance to skirt end for the initial touchdown. Again later in the game Schuehle got away for runs of 32 and 15 yards on punt returns.

MCRE HONORS FOR T. DAWSON.

Kerrville, Oct. 17.—Ted Dawson, popular Schreiner Institute Mountaineer football player, who dares any opponent to undertake the task of over running him, was elected to the office of vice president of the college sophomore class in an election held last week.

Dawson, who is a second year man here, made Bully Gilstrap's first squad the last season, and is considered one of the best guards now in the Texas Junior College conference. Dawson was also one of the six members to be elected to the Honor Council last week by the student body.

FIGURES DON'T LIE.

By Clayton Rand.

While the Federal government spends billions the national debt has become colossal.

Spenders point with pride to the prosperity they have thus stimulated on borrowed money, while taxpayers view with justified alarm the ultimate consequences.

"Have no fears," says the spender, "America is rich, she doesn't owe much and figures don't lie." But the wiser and more conservative ones know that while "figures don't lie," liars do, and liars are usually good at figuring.

By the time the people begin totting these new post offices and countless other federal projects around on their backs, they will wonder if a primed prosperity was really worth it. (Copyright.)

THE MISLED PUBLIC.

If some of our leading political lights are correct in their assumption that the cost of electric power keeps the poor citizen awake nights wondering how to pay the bill, it would seem that the American people would use as little electricity as possible—and use none at all where a suitable substitute was available.

But the American people are using more power all the time, and for more purposes—apparently the poor saps think electricity is cheap and convenient and don't realize they are being driven into bankruptcy by their power bills.

During the first half of this year, 132 representative power companies sold 22 per cent more domestic appliances than in the same period last year, according to Electrical World. These appliances, together with increased use of electricity for lighting, raised annual domestic consumption an average of 10 per cent.

Furthermore, our misled citizens bought appliances which are not only expensive in first cost, but are big current users. They bought 27 per cent more electric ranges, 23 per cent more water heaters, and 17 per cent more refrigerators, to say nothing of ironers, vacuums, clothes washers, etc.

Did they buy these because they had to? Well, the old-fashioned ice-box is still obtainable, there are many types of water heaters on the market burning everything from oil to old magazines, and gas, wood and oil stoves aren't difficult to find. And we managed to press clothes for quite a while before electric ironing machines were invented.

The truth is that the American people bought the new appliances because they give a lot of service for very little money. Apparently the public, in spite of the sweating politicians, refuses to take the "high-cost-of-power" bogey seriously.—Industrial News Review.

STUDY YOUR BALLOT.

The ballot Medina County voters will be handed when they go to vote on November 3rd will contain eight columns. This gives you choice of six national party tickets, an independent ticket (on which you will find all county and most precinct candidates) and a blank column in which you can write your own choice if none of the others suit you. In addition to the candidates, there are also six proposed constitutional amendments which should have the voters' careful consideration.

On account of its extreme size, we were forced to condense the ballot to get it on one page, but a careful study of the abbreviated form on page six of this issue should enable anyone to thoroughly familiarize himself with the way to properly prepare his ballot for voting.

PRODUCE SHIPMENTS.

The French rightist newspapers declare the Thorez incident was part of the Russian Communist scheme to throw France against Germany so that Russia will not be left alone to face "any eventual German attack." The rightists were even more vigorous in their accusations when it was learned that Maxim Litvinov, Soviet foreign commissar, was secretly in Paris.

ONE of the worst typhoons in the history of the Philippines swept across Luzon island, killing scores of persons and destroying villages. At least 310 perished and the authorities feared the death list would be much larger for four hundred were reported missing. Eighty-two bodies were recovered from the city of Cabanatuan alone.

The Republican party, he said, offers the domestic sugar producer a program which will apply restrictive quotas to continental imports only, and which will permit the American producer the non-competitive privilege of producing all the domestic sugar which the domestic market can consume.

"You need nothing else," said Senator Vandenberg. "It would be the greatest possible single practical contribution to 'farm relief' in a score of sugar states, including the great 'sugar bowl area' to which I am speaking."

With this brief presentation of the facts, it seems to me it does not take much imagination to see the basis upon which the promoters of the consumer co-operatives are building their structure in this country. Taking these facts into consideration with the information brought back by those who made the study for Mr. Roosevelt, it is made to appear at least that a foreign link is somehow or other being forged, and that link, I believe, is designed as a fundamental unit in the general radical program to change the form of our government as well as the form of our national life. I can arrive at no other conclusion.

In the case of the devaluation of the currency, the main purpose, as announced by the Roosevelt administration, was to increase prices. It has had that effect and has made the brewers pay more for the hops they must import from abroad, and they must import hops because our own production is insufficient.

"I wish they were, by birth and training," she said. "I wish they didn't always act as if they were. I wish they were in books instead of in the world, so that I could know what might happen. He had a good deal of the Grahams after all, and I remembered his words as I came out of her into the rickety wagon and saw her neighbor's farm, where he was turning her off so that he could go back to Grandmother, alone. I was so afraid. He had tucked her up in the wagon around her and stepped out when, suddenly, he had come back. I was so old face worn and troubled. I had said, 'If you don't mind, Deborah, don't you have me go to with him. We'll get out of the way. If you don't like him, I'll go to do it. We'll just look for another way.'"

"That's the other way," she said. "That's at the head of the table."

New Testament statement is dark and shockingly hideous to contemplate. But we must remember for many generations we have the Bible in our homes, teachers of moral character to educate our children. Then there are Sabbath schools, often taught by inspired Christians diligently teaching true righteousness, which is the foundation stone of true Godliness. The greatest of all is that we have the Gospel preached by the denominations on every hand.

The Red Cross does not discriminate, it simply aids. This is as true of the local Red Cross serving this community as it is of the national organization. The Red Cross calls the roll, invites your membership, from Armistice Day to Thanksgiving.

Another Rate Cut!

TO OUR CUSTOMERS

In line with the established policy of your Company to reduce rates whenever such reductions could be made without obviously reducing revenues to the point where the stability of the Company would be threatened, we are delighted to find it possible at this time to announce another reduction that will apply to most of our residential and commercial customers. Features of this reduction are a cut in the first step of the Electric Lighting Rate, a re-vamping of the Lighting and Appliance Rate with a second step of but 60 KWH at 3c per KWH and a bottom step of 1.75c, and a new Commercial Lighting Rate. This reduction will become effective on all bills rendered after November 1, 1936, throughout the South Texas Department."

San Antonio Public Service Co.

CHESTER N. CHUBB, Pres.

THIS REDUCTION IS BUT ONE OF MANY THAT HAVE BEEN MADE BY YOUR COMPANY WITHIN THE PAST FEW YEARS AND IS BUT ANOTHER EVIDENCE OF OUR DESIRE TO SERVE YOU AT THE VERY LOWEST RATES COMMENSURATE WITH GOOD, COMMON SENSE BUSINESS.

IT IS OBVIOUSLY IMPOSSIBLE TO COMPARE THE NEW RATES WHICH ARE AMONG THE LOWEST IN THE ENTIRE COUNTRY FOR THIS CLASS OF SERVICE WITH THE MANY AND VARIED RATES THAT WERE IN EFFECT WHEN YOUR COMPANY TOOK OVER AND GAVE HIGHLINE, CENTRAL STATION, DEPENDABLE SERVICE TO THE TOWNS IN ITS PRESENT TERRITORY THAT WERE THEN SERVED. HOWEVER, IT IS INTERESTING TO NOTE THAT TYPICAL FIRST STEPS IN INCANDESCENT RATES WERE THEN AS FOLLOWS: MARION, 20c PER KWH, SCHETZ, 25c PER KWH, NEW BRAUNFELS, 15c PER KWH, HONDO, 22½c PER KWH, FLORESVILLE, POTH, FALLS CITY, STOCKDALE, 20c PER KWH. IN THE TEN YEARS AND LESS THAT THESE PROPERTIES HAVE BEEN SERVED MANY VOLUNTARY REDUCTIONS HAVE BEEN MADE OF WHICH THIS ONE IS BUT ANOTHER EXAMPLE.

THE COMPANY IS HAPPY TO ANNOUNCE THIS REDUCTION AND TAKES THIS OPPORTUNITY TO THANK ITS MANY FRIENDS AND CUSTOMERS FOR THEIR COOPERATION AND FRIENDSHIP WHICH HAVE GONE A LONG WAY TO MAKE THIS FORWARD STEP POSSIBLE.

AUGUST JUNGMAN DIES SUD-
DENLY ON FRIDAY.

This and adjoining communities
were shocked Friday morning when
the sad news reached them that Aug-
ust Jungman had died in his home
at the Sauz. He had visited neigh-
bors during the early evening of
Thursday and returned to his home
apparently enjoying his usual good
health. It was about 2:30 o'clock
Friday morning when Mrs. Jungman
heard him gasp twice and he was
gone. He had lived practically the
whole of his life in that community
and as a good and substantial citizen
was known and loved by all who
knew him. His sudden death brought
sorrow to hundreds of homes in this
and adjoining counties.

August Jungman was born at the
Sauz April 12, 1877, and attained
the age of 59 years, 5 months and
27 days. He was happily married to
Miss Dela Monier Nov. 20th, 1900, in
St. Louis Church at Castroville, a
union that was blessed with three
daughters. He leaves surviving, be-
sides his grief-stricken widow, three
daughters, Mrs. August Meckler, Mrs.
Joe H. Tondre, and Miss Theresa
Jungman; one sister, Mrs. Lena
Recherzer, four grandchildren and a
score of near and dear relatives. He
was preceded to the grave by his
parents and two brothers.

Funeral was held from the family
residence at 2:30 o'clock Sunday af-
ternoon, October 11th, followed with
services at St. Mary's Church, inter-
ment being made in St. Mary's cem-
tery with Rev. Joseph Schwellor of-
ficiating. The funeral was under
the direction of L. M. Tondre & Sons,
funeral directors of Castroville.

Pal-bearers were: Elmer Jungman,
George Jungman, Walter Recherzer,
Gerald Keller, Edgar Rieber, and

parted. The cross bearer was Quin-

Mangold. After little Mary Frances
Mangold, Charlotte Wurzback and
other boys, entertained the honor-
able guests with a song, dance and piano
concert, they presented her with a ship-
ment of gifts from her friends. Mrs.

LIVESTOCK MARKET REPORT. Monday, October 19, 1936.

(Federal-State Market Service) Estimated receipts, cattle 600, calves 800. Supplies were not heavy on the San Antonio market Monday and early trading was fairly active. However, trading on later rounds was very slow and weak. Early sales of most classes of cattle and calves sold about steady with last week's close. Demand was slow for bulls, especially light weights. Calves closed weak with spots lower.

Fulk of the good fat calves and light weight yearlings cashed at \$4.75 to \$5.25, a few lots to \$5.50 and \$5.75. Good heavy calves were comparatively scarce. Medium offerings sold mostly from \$4.00 to \$4.75 with common calves and yearlings down to \$3.00 and a few to \$2.75. Common to medium grade cows brought mostly \$3.25 to \$4.00 with good fat offerings to \$4.25, odd head to \$4.50. Low cutters and cutters ranged from \$2.25 to \$3.25. Weighty bulls moved out at mostly \$4.25 and down to \$3.25 for light weights. Truck lots of plain matured grass steers cashed around \$5.00 to \$5.50 with rough, 1255 lb. weights at \$5.75. Stocker calves and light weight yearlings ranged mostly from \$4.50 to \$5.00, few to \$5.25.

Hogs, receipts 400. The early market was active and strong to 10c higher than last week's close. The early top was \$9.50, paid by packers and shippers. Most good to choice 150 to 200 pound butchers brought \$9.25 to \$9.50, best 140 to 160 pounds around \$9.25 to \$9.00, 160 to 180 pounds \$9.00 to \$9.50, and a few 200 to 250 pound offerings \$9.25 to \$9.50. Packing hogs sold about steady at mostly \$8.00 to \$8.50.

This brings total sales of passenger cars and trucks from January 1 to October 10 to 67,260 compared with 40,080 in the corresponding period of 1935.

Mr. A. C. Thallman and Mr. Ernest Britsch are the local distributors for Studebaker cars.

USED BY COURTESY THE OWL.

SMITHVILLE FEATURES SPINNER PLAYS.

The Smithville Tigers defeated the Hondo Owls at Smithville on Friday night, October 16, by a score of 27-0.

The Tigers opened the game with a bang, receiving the ball and keeping it in their possession until they had crossed the Owls' goal line. The Tigers received the ball on their own 30-yard marker from which place they carried the ball on down the field by means of a series of spinner and line plays, and scored their first touchdown on an end run. The try at the line for the extra point was good. The remainder of this first quarter the ball was kept mostly in Hondo's territory. The quarter ended with the score reading: Smithville 7, Hondo 0.

During the early and middle parts of the second quarter the Owls held the Tigers better, but in the latter part of this quarter Smithville again pushed the ball over Owls' goal line for a touchdown. The try for the point after touchdown was no good. The half ended with the following score: Smithville Tigers 13, Hondo Owls 0.

The third quarter opened very similarly to the first one. Smithville again unleashed a powerful running attack and after being held for several minutes by the Owls' forward wall they again pushed over a touchdown. The try for the extra point was good. The remainder of this period was scoreless, although the ball was kept in Hondo's territory most of the time. The third quarter ended with the score: Smithville 20, Hondo 0.

In the fourth-quarter the Owls began a passing attack, and a pass from Nester to Hartung was good for a 25-yard gain and the Owls' only first down of the entire game. Several plays after this Smithville intercepted a Hondo pass, and returned it thirty-five yards for a touchdown. The try for the extra point was good. The remainder of the game was scoreless. The final score was: Smithville 27, Hondo 0.

Danie and Jerome Finger were outstanding for the Owls. Danie's nine punts average 40 yards, and Jerome broke through the Smithville line consistently. Other scores of interest to Hondo fans are the following: Del Rio 19, Sidney Lanier 0. Uvalde 26, Pearsall 12. Somerset 18, Devine 0.

The Owls' next game will be with the Uvalde Coyotes. The Hondo fans will again have the opportunity to show the Owls that they are still behind them, for the game will be played on Barry Field. The game will probably start at 3:00 P. M. The admission prices will be 25c for school children and 50c for adults. Every high school student should see this game and help the Owls win this game, which is the first District encounter this season. This game will probably be an important factor in determining the champion of the Northern half of our district, as Hondo and Uvalde, along with Del Rio seem to be the "top-notchers". The Uvalde Pep Squad will probably come along, so we will have plenty of competition, not only on the field but in the stands as well.

OWLS.—STUDENTS SEE "AND SUDDEN DEATH".

The entire student bodies of Hondo High School and Hondo Grade School were turned out Wednesday morning in order that they might go to the Colonial Theatre and see "And Sudden Death", the Paramount picture starring Randolph Scott, Frances Drake and Tom Brown. The picture derived its name from an article which appeared first in The Readers' Digest and then later appeared in pamphlet form and which had the same title. This picture dealt with careless driving and automobile accidents, showing the number of people who are either killed instantly or seriously injured during a year's time by automobile crashes. Last year the rate of those killed in automobile wrecks was so great that a person was killed on the average of every fifteen minutes. This picture should leave an impression upon all who saw it, and make everyone realize the necessity of being careful while driving a car.

AN APPEAL TO ALL.

EXECUTIVE DEPARTMENT Austin, Texas.

October 20, 1936.

Dr. W. H. Smith, Actg. Chairman, Medina County Chapter, American Red Cross, Hondo, Texas.

My dear Dr. Smith: Soon our state's 100th anniversary will be history. In many respects 1936 will be recorded as the most significant year ever experienced by Texans.

Observance of a century of independence by the state has forcibly reminded our entire citizenship of the countless social changes which have come about since statehood.

While the federal and state governments are charged with fulfillment of certain responsibilities, it remains that most social welfare needs must by their very nature be met through local resources. The year-round demands upon the American Red Cross, which operates through local chapters, is an outstanding example of this point.

In Texas, as well as in all other sections of the nation, the Red Cross occupies an indispensable place in community life. As a pioneer in the health field—as a sentinel of safety at the highway—and in its far-flung disaster relief operations, this agency assumes unmet responsibilities.

As you know, the existence of the Red Cross is dependent upon individual membership, enrolled annually during the Organization's Roll Call. The objective this fall for Texas is 154,000 members. Attainment of this goal calls for a substantial increase over last year's enrollment, which totaled 120,426. Not only as governor of our state, but also as an individual citizen, I sincerely hope that no effort will be spared by your chapter in keeping the Red Cross at full strength by the achievement of our state membership objectives.

Sincerely yours,

JAMES V. ALLRED, Governor.
